

## About Sandy (Sudha)

Sandy (Sudha) is a highly talented Cosmetologist who has over 25 years of experience in providing beauty services to her clients. She specializes in an ancient method of hair removal called, "Threading". She also specializes in facials such as Chemical Peels, Microdermabrasions, anti-aging 4 layer facials, make-up applications along with complete portfolio of skin and hair related services as required by State licensure and certifications.

She believes that working closely with her clients requires patience and right attitude. These elements allow her to perform her work meticulously for her clients - whether its shaping a **Perfect Eyebrow**, a hi-lite or a chemical peel. The success of her unique approaches has ultimately led her to create and promote her own brand.

WE CAN HELP.**

### Our Philosophy

"I believe that the key to my success is twofold - a strong personal desire to be the best in my industry and by providing the best service possible to my clients.

I have invested countless hours over the years to learn about the latest developments in the beauty industry. I back my skills and extensive experience with a strong educational background and have exceptional knowledge of principles, theories and practices of cosmetology as determined by the State Licensure and Certification.

I firmly believe in working closely with my clients; treating them as individuals with specialized needs. I take the time necessary, with patience and care, to understand the preferences and choices of my clients and work hard to ensure their satisfaction."

## THE PERFECT-EYEBROWS DIFFERENCE.

**Sandy** has a proven record of helping her clients achieve the look they desire.

Threading is a practice of shaping the eyebrows using a cotton thread. It is more effective and less painful than tweezing. Hair re-growth, as a result, becomes finer and sparser after regular treatments. Threading is highly recommended and commonly performed throughout Hollywood these days. It is also an excellent option for those who use Retin-A, Accutane and similar products.
